

Senior students should apply for federal student aid for college next year as soon as possible. There are three ways that a student can complete the FAFSA (Free Application for Federal Student Aid):

1. Apply online at www.fafsa.ed.gov. For those who prefer to fill something out in writing before applying online, you may order a *FAFSA on the Web Worksheet* from www.FSAPubs.org or download a PDF from www.FederalStudentAid.ed.gov/worksheet.
2. Download, complete and mail a PDF version of the FAFSA, available at www.FederalStudentAid.ed.gov
3. Request a paper FAFSA by calling the Federal Student Aid Information Center at 1-800-433-3243 (1-800-4-FED-AID) or 1-319-337-5665

Other free Federal Student Aid Publications are available at www.edpubs.org or 1-800-4-FED-AID.
