Dear Parents, Grandparents, Alumni, and Friends,

In the midst of these times of uncertainty, it is precious to be reminded that God is always in control, always at work for His glory, and always at work for the good of His people. Our faith is based on amazing historical facts. Christianity is about something that happened, not merely about somebody's ideas. It is NEWS! – the best news! God sent His Son into this world to become man and save His people from their sins. He chose for Jesus to so humble Himself that He was born in a stable and laid in a manger – it was the first step on the Calvary Road. It was for OUR SAKE that there was no room in the inn! God could have arranged it otherwise, but He chose instead for His Son to become poor, so that through His poverty we might become rich.

As we studied through the birth of Christ in high school Bible class this year, students marveled at the details of the prophecies fulfilled by Christ. Christ was to be a descendant of King David, and yet he could not be of the royal line through Solomon. Matthew 1 traces the

genealogy of Jesus through his adoptive father Joseph back to Abraham, going through Solomon. Matthew 1:16 is significant in underscoring that Jesus was the physical son of Mary, but not Joseph. Were there not any number of people who could have qualified to be Messiah as a descendant of Judah through the royal line from David and Solomon? The answer is NO! There is ONLY ONE who could qualify – because IT COULD NOT BE A PHYSICAL DESCENDANT OF THE LINE THROUGH SOLOMON! The second last king of Judah, Jehoiachin (also called Jeconiah) was cursed in Jeremiah 22:24-30 – ...none of his offspring will prosper, none will sit on the throne of David or rule anymore in Judah.

So Jesus, as an adopted son of Joseph, followed in the royal line of David and Solomon, but he was not a physical descendant of any of the kings except David – because Mary's lineage (Luke 3) goes back to David through Solomon's older brother Nathan. So Jesus, as the natural son of Mary and the adopted son of Joseph is the ONLY person who could fulfill the promise – a natural descendant of David, but adopted into the royal line through Joseph, so that the curse on Jeconiah did not apply to him. EVERY DETAIL OF GOD'S WORD CAN BE TRUSTED!

God sent His Son to be our Savior – yes, even “good kids” need a Savior, because by nature we are all selfish and want to be independent of God. This precious Savior is the Spirit-anointed Messiah, the Christ, and he is God-incarnate, the LORD. People may try to ignore Jesus at Christmas, but if they are honest with the facts of history, they must decide whether this person is LORD, or a liar, or a lunatic. Those are the only possible choices, and one day all people will bow down and acknowledge that Jesus Christ is Lord. May the Lord work in our students, families, and staff a growing joy in this Savior and a confidence in the God who works for His glory and the good of His people in every circumstance of life!

By His Grace, *Pastor John Rees*
