**Romans 11:36 For from Him, and through Him, and to Him, are all things.
To Him be the glory forever! Amen.**

Dear Parents, Grandparents, Alumni, and Friends,

Our chapel times over the last month have focused on the passage we have memorized from Hebrews 12. We have talked about running the race of faith, and last week we considered the temptation to become weary and discouraged in running this race.

The way to persevere in the race of faith when tempted to weariness and discouragement is to fix our eyes daily on Jesus, the suffering Savior, the reigning Savior, the joyful Savior, and the working Savior.

We have a sympathetic Savior who was tempted in every way just as we are and who bore the wrath of God in our place. He now reigns from heaven for the good of His people, He intercedes for us, and by His Spirit He imparts to us His joy in the midst of the trials of life. He endured great suffering for the joy set before Him, and He calls us to fix our eyes on what is unseen and eternal. He is not only the author of our faith, but also the perfecter of our faith – the Savior who continues to work in the lives of His people, so that “our light and momentary troubles are achieving for us an eternal glory that far outweighs them all” (II Cor. 4:17-18). Children as well as adults face troubles in their lives, and they need to be encouraged each day to look to Jesus for strength to run the race that God has marked out for them. May God enable us as parents, grandparents, friends, and teachers to help these young people find strength in their God, and may we be faithful examples to all who come behind us as we continue to run the race of faith in Christ.

The **Spring Program** is scheduled for **April 15 at 9:30 a.m. and 7:00 p.m. at Emmanuel Bible Fellowship Church** in Sunbury. While the program itself is a wonderful time for the students to lead others in worship, the preparation for the program is just as important to what NCS is all about. Do pray much for us during these weeks ahead, that the students will delight in singing the praises of God together. The program is also a great opportunity to invite others to come and join us as we lift our eyes to behold the glorious God we serve!

We also ask for your prayers that the Lord will direct us concerning enrollment and staff for the coming year. Our classes are filling up quickly. If you know of other families who are interested in attending, they should call us as soon as possible. Also remember that the deadline to file the Student Aid Form for scholarship assistance for the next school year is March 31.

We are looking forward to the **Parent-Teacher Meeting on Thursday, April 7**. This year we are again combining the meeting with an **Open House and Science Fair**. The displays will be available for viewing beginning at 6:00 p.m. After a short meeting at 7:00 p.m., there will be a time of refreshments and more opportunities to view the science projects and other classroom work, and to enjoy fellowship among parents, teachers, and visitors. We will distribute students' report cards to parents at the beginning of the meeting. **Re-enrollment forms** for next year will be attached to the report cards and should be **returned to the office by Friday, April 29**.

Pray for us day by day! May the Lord work mightily in all our lives and be glorified in all we do!

By His Grace,

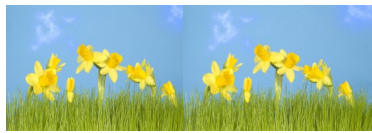

Pastor John Rees
